THE SUPPLEMENTAL AGREEMENT

Reference is made to the announcements of the Company dated 29 October 2019 and 30 October 2019 in relation to, among others, the Previous Loan, on 14 May 2021 (after trading hours), the Lender, a direct wholly-owned subsidiary of the Company, entered into the Supplemental Agreement with the Borrowers. The terms of the Supplemental Agreement were determined at after arm's length negotiations between the Lender and the Borrowers.

The Directors, having considered the current market norm of interest rates in relation to similar transactions for extension of loan repayment date and the expected revenue to be generated to the Group, consider that the transactions contemplated under the Supplemental Agreement is on normal commercial terms and the terms of the Supplemental Agreement are fair and reasonable and are in the interests of the Company and its Shareholders as a whole.

INFORMATION ON THE GROUP AND THE LENDER

The Company is an investment holding company. The Group's principal activity is the provision of property construction services in Hong Kong.

The Lender is a company incorporated in Hong Kong with limited liability and a direct wholly-owned subsidiary of the Company.

INFORMATION ON THE BORROWERS

The Borrowers are the former directors of a subsidiary company of our Group, which has been disposed on 29 December 2020. Since the subsidiary company is an insignificant subsidiary under the Rule 20.08 of GEM Listing Rules, where the subsidiary company's total assets, profits and revenue compared to that of the listed issuer's group are less than:

- (a) 10% under the percentage ratios for each of the latest three financial years (or if less, the period since the incorporation or establishment of the subsidiary); or
- (b) 5% under the percentage ratios for the latest financial year.

The Borrowers are deemed not to be a connected person under GEM Listing Rule. The Borrowers are merchant and are the major land owner at D.D. 271 Sai Kung, New Territories, Hong Kong and holding about 330,000 square feet of land in the area.

REASONS FOR ENTERING INTO THE SUPPLEMENTAL AGREEMENT

As explained by the Borrowers, due to the COVID-19, their cashflow has been delayed and therefore requesting for an extension of repayment of the Previous Loan. After arm's length negotiation, the Borrowers agreed to pay an interest rate of 6% per annum (3% per annum in the Previous Loan). Having considered the asset backing of the Borrowers and the additional interest, the Board opines that the extension of loan would enable the Group to generate a higher rate of interest income as compared to short-term deposits in banks and thus maximize the Group's return and generate stable revenue, and the risk of extension of the loan under the Supplementary Agreement is low.

The extension of repayment date of the loan will be funded by internal resources of the Group and will be recorded as loan receivable of the Group. The Group has adequate cash reserve for its operation and the extension of repayment date of the loan will not create any risk exposure of the Group.

THE LISTING RULES IMPLICATIONS
